Comments: Please ensure that all food coming from home is labeled with the intended child's name.			

<p>General Comments</p> <p>Upon arrival at the centre, licensing staff was thoroughly screened for Covid-19.</p> <p>During the follow-up inspection, licensing staff observed the bathroom to be clean as well as the remainder of the centre. Great job!</p> <p>Lunch boxes that belong to the children need to be labeled so that they can easily identifiable. There were no food items in the fridge that belonged to the children.</p> <p>Licensing staff observed that the hole in the wall located in the "cubby" area was still present and when licensing staff discussed this with the operator she told licensing staff that the hole will be fixed on the Easter weekend.</p> <p>Fire drills are being conducted on a monthly basis and the fire extinguisher has been checked however, these checks are not posted on the communication board at the time of the follow-up inspection. The Operator has been given the new form and will post it on the communication board.</p>

General Comments

The educators were interacting with the children at the children's level and positively encouraged the children as they created a masterpiece with the markers and paper. The words I heard from the educators were: "Your doing a great job on your egg!"

After the children are done with their Easter activity the children will be going outside to play.
