<p>General Comments</p> <p>On the day of my visit there were 12 children present. The educators had activities set up on the tables which included play dough, paint, and a craft activity.</p> <p>Due to the rainy day the educators kept the children busy playing various games such musical chair, freeze and a pompom game. The children seemed to be enjoying the activities.</p> <p>The educators interacted well with the children during the activities.</p> <p>I reviewed the children's files. Some profiles are missing information. Please review files to make sure they are complete.</p>
