**General Comments**

More materials have been added to the outdoor play space, especially in the mud kitchen area and sandbox. Another table is recommended go the outdoor play pace to give the children more space for activities.

Invitations were on set up on the table. They consisted of pipe cleaners, popsicle sticks, glue, google eyes ad pompoms. The objected was to make candy canes or make a nose for Rudolph.

Educators were observed speaking and sitting at the child's level. Children were given time frames when transitioning from one activity to another.

Due to the rainy-day children did not go outside in the morning. They decided to build a large fort inside with blankets, chairs, cushions and Christmas lights.

Children files were reviewed, all contained the proper documents.

Recommend that staff use the same attendance tracking form as used for the children.
