Comments: Bottles in room Fox fridge without covers.			

<p>General Comments</p> <p>Children engaged in play and learning throughout all environments. Environments are well organized with a variety of learning centres and an abundance of materials inviting children's engagement. Educators observed to communicate with children in a very positive manner and engage in play alongside children, asking open-ended questions and extending learning by encouraging children's contributions and following their interests.</p>
--

General Comments

Documentation posted in learning environments highlight children's learning and current interests. Educators documented observations of children as they get to know them a valuable contribution to the posted documentation.
