<p>General Comments</p> <p>Licensing staff arrived at the licensed facility to conduct a monitoring inspection visit on March 27th, 2023.</p> <p>On the day of the inspection visit, the heat was not working at the licensed facility which prompted the administrator to call a repairman to come and fix the heating system. The heating system was repaired earlier in the day before the inspection visit. When licensing staff arrived at the centre, it was noted that the centre was warm and not cold at all.</p> <p>Staff-to-child ratio was within Regulation according to the Early Childhood Services Act.</p> <p>The children in each classroom were observed smiling and having fun with their peers and educators during the inspection visit.</p>
