<p><b>General Comments</b></p> <p>Monitoring inspection to follow up after opening of new licence. Ratios were good. QAM observed rest time and snack time. Proper protocols followed: Staff and children washed hands before snack and staff sanitized tables before serving snack.</p> <p>Curriculum and daily planning: Educator in infant class is using a web to document her plans. Educator in afterschool and preschool mixed age group is using an activity planning sheet. QAM provided a Curriculum binder today to the Operator. Recommend Operator introduce new staff to curriculum documents and monitor for documentation that is reflective and aligned with the curriculum. QAM will send resources on Schemas and webbing to Operator. Recommend staff use songs and rhymes during transitions.</p> <p>QAM will continue to monitor for progress in curriculum at subsequent inspections.</p>
