General Comments
<p>A Monitoring Inspection was completed this afternoon. Children were observed during afternoon snack, indoor play, and outdoor play.</p> <p>Attendance records were observed and accurate, showing the number of children present. The parent board was observed, and past reports, contact information, daily schedule, license, and menu were observed.</p> <p>Several forms of documentation were observed throughout the facility - photos, children's artwork, word webs, and learning stories. Several examples of open-ended art were observed. Each room had several well-defined learning / play areas - arts & crafts, building, cozy reading area, dramatic play, etc.</p> <p>Children were observed eating their afternoon snack. Apples and Graham Crackers were served.</p> <p>A recommendation was made regarding the tires in the outdoor play area. To prevent water from pooling, QAM recommended that holes be drilled into each of the tires.</p>
