General Comments
<p>A monitoring inspection occurred today on the childcare license. Children were observed during inside and outside play, lunch and preparing for nap/quiet time. Handwashing was observed occurring after outside play and before lunch. In each of the four indoor learning environments the children learning is documented and displayed using webs, graphs/charts, pictures, learning stories and art. Positive interactions were between the educators and the children were observed during the inspection. Each of the learning environments have a wide variety of age-appropriate materials for the children to interact and engage with. Educators were also observed sitting with the children during lunch engage in conversations with them.</p>
