44 An operator of a licensed facility shall have a first aid kit that is equipped with the contents prescribed by New Brunswick Regulation 2004-130 under the Occupational Health and Safety Act as a first aid kit that is not a personal, Type P first aid kit, and a telephone in working order (a) on the premises of the licensed facility.	44(a)	May 17, 2021	
Comments: First aid kits must contain all items listed on first aid checklist.			
50(2) The operator of a licensed facility shall inform the parent or guardian of a child involved in an incident on the day the incident takes place and shall ensure that the parent or guardian signs the daily log to confirm their awareness.	50(2)	May 17, 2021	
Comments:			

<p>General Comments</p> <p>Children engaged in play at time of visit. Operator has worked hard to maintain accurate and complete files. It was very much an improvement from previous inspection.</p> <p>Operator is documenting incidents but is not having the parent(s) sign it. Please ensure that all incidents that happen at facility are documented and signed by parent(s). The daily log is used for minor incidents, however major incidents need to be filled out on the mandatory government form. Operator stated that they have had no major incidents to report.</p> <p>Operator stated that they are going to have two potential alternates. Please ensure that alternate staff meet all staff requirements prior to working at facility and place in file.</p> <p>Licensing staff will return to conduct inspection of outdoor play area prior to licensing.</p>
