41(1) A licensed facility at which services are provided to children who wear diapers shall have a sturdy surface that is (d) no more than one metre from a sink.	41(1)(d)	Sep 21, 2022	Sep 21, 2022
Comments: Deficiency is now compliant			

General Comments
<p>It was raining on the day that licensing staff arrived at the licensed facility to conduct a monitoring inspection visit on September 21st, 2022.</p> <p>The operator had an infant in her care on the morning of the inspection visit. When licensing staff arrived the infant was asleep. When the infant woke up he had a snuggle with the operator until he wanted to get down on the floor and engage in free play activities. When the infant chose to explore the story book, "Little Penguin and Friends." The operator joined the infant and began to read the story while he turned the pages.</p> <p>Licensing staff only observed positive child guidance techniques used by the operator. The operator was very nurturing and compassionate towards the infant in care.</p> <p>Licensing staff noted that the changing station needed to be moved closer to a sink and while licensing staff was still on site, the operator moved the changing station in the bathroom area.</p>
