General Comments
<p>The preschool program at this licence is currently operating as a part time program.</p> <p>Children were on their way outside when I arrived for today's monitoring inspection. Observed the educator interacting and playing with all children while they were outside.</p> <p>Once children came in from outside, they put away their outside clothes, went to wash their hands and proceeded to the tables which had quite a few learning invitations set out for the children to explore. Some of the invitations that I observed were Q-tip snowflakes, I is for Igloo craft, P is of Polar Bear writing activity, draw letters in salt, and build an animal habitat out of blocks. The children appeared to really enjoy all the learning activities that they participated freely in! The Educator and Preschool Manager were observed participating in the activities with the children as well and helping them when they were asked to.</p> <p>A reminder that both Go-Go licences at this location must operate as their own individual licence. Children who are occupying a licenced room belonging to Go-Go Preschool and After School Maple Street – 2019594, must be signed in/out and have their required paperwork kept at this licence.</p>
