Comments: The gym is undergoing some maintenance, there is a ladder present in the room as well as water-stained floor tiles. 9(1) The child-to-staff ratio is one educator for each of the following groups of children of the same age receiving services at a full-time or part-time early learning and childcare centre: (a) three infants or fewer; (b) five children or fewer who are two years of age; (c) eight children or fewer who are three years of age; (d) ten children or fewer who are four years of age or older, but who are not yet attending school; and (e) 15 school-age children or fewer.	9(1)	Dec 12, 2022	Dec 12, 2022
Comments: One educator left to run an errand, leaving one educator with 16 children. Staff to child ratios must always be maintained. Was corrected when the staff member returned. QA Monitor addressed with the operator that staff must confirm the number of children present before leaving to ensure they respect ratios Deficiency is now compliant			

General Comments Once the maintenance in the gym has been completed, the floor cleaned, and the ladder and toxic products have been removed the operator will send a photo to the QA Monitor and confirm that the gym is clean and safe.
