21 A licensee shall post the following documents in a clearly visible and prominent place in the facility associated with the licence: (a) the licence; (b) a report provided under section 23; (c) an order issued under section 28; and (d) a probationary license issued under section 29.	21(a) – (d)	Jul 19, 2021	
Comments: Renewal inspection from March 18, 2021 not posted only follow up report. A renewal inspection and follow up reports are to be posted and remain posted until the next renewal inspection.			
33(2) Stationary equipment in the outdoor play area shall be surrounded by a protective surfacing and installed according to the manufacturer's instructions.	33(2)	Jul 19, 2021	
Comments: Mulch surfacing under stationery climbing equipment is accumulating under the platforms. To be raked under fall zones: slides, monkey bars. Mulch surfacing surrounding the green twirl climbing structure has been pushed away from the fall zones, to be raked back as a hole is forming around the structure.			

General Comments A monitoring inspection was conducted today on the Club ASP. The children were observed engaged in various activities in the indoor learning environment:: Art/Crafts, Lego, Dolls/Barbies, Hockey and Reading. The room dividers have been removed and the children are now able to engage and interact with each other as per the COVID 19 Guidance for Childcare Facilities Phase 2 of New Brunswick's Path to Green, (Groupings). The educators in the room have planned activities for the entire summer for the children to interact and engage in including field trips offsite.
