<p><b>General Comments</b></p> <p>On the day of my visit the center was functioning well. There is evidence of planned programming and documentation of the children's work through out the facility.</p> <p>Each age group engaged in outdoor play at different periods of time and participated in a wide range of activities from driving the cars around, playing in sandbox and mud, to the slide and the large airplane structure. Broken toys were found throughout the outdoor play area. Please give this area a good cleaning.</p> <p>Some of the nap cots are showing wear and tear and need to be replaced.</p> <p>I recommend the light fixtures have a good cleaning as dust is starting to build up on them.</p> <p>The educators were friendly during my visit. It was nice to see the children outside enjoying the nice weather.</p>
