31(4) An operator shall ensure that the outdoor play area of a licensed facility (b) consists of more than one surface to permit different types of play. Comments: Deficiency is now compliant	31(4)(b)	Nov 03, 2025	Nov 18, 2025

General Comments
Licensing staff was in contact with the administrator of the licensed facility and pictures were sent to licensing staff via email stating the tires located in the outdoor play environments have larger holes drilled into them to allow the water from draining.
Also, pictures of a sand box filled with sand and therefore sand is the second surface located on both the infant and preschool outdoor play environments.
Licensing staff recommends the facility for their license renewal .
