General Comments
<p>Children engaged in play and learning this morning. A variety of quality materials accessible for the children to explore. The learning environment is well maintained and organized.</p> <p>Many meaningful conversations observed between children and educator. Children encouraged to help with daily routine tasks. Children prepare healthy snacks independently as well as serve themselves.</p> <p>Hand washing routines observed.</p> <p>Recommend adding more open ended art materials to the learning environment for the children to explore. Example: collage materials, glue, scissors, construction paper, cardstock, fabric, etc.</p>
