<p>General Comments</p> <p>Children engaged in free play, snack and preparing for outdoor play during today's monitoring inspection. Educators were observed to be engaged with children at their level, and speaking kindly and respectfully.</p> <p>A variety of materials are available and accessible to the children in their play environments. Children are present in the space in the art work, photos, and documented activities posted.</p> <p>In the preschool room, containers of creative art materials have labels created by the children. This encourages their literacy development, values their contribution to the classroom, and provides them with a sense of belonging.</p>
