<p>General Comments</p> <p>A renewal inspection occurred today, November 21, 2023. The children were observed during inside play, morning snack, morning meeting, outside for a walk to the Arts and Culture Park as well as playing on the Wheels and Ramps Park.</p> <p>Discussed the outside fenced in play area that is at the back of the building that is connected to this license. Children do not have access to this area in the winter due to ice/snow build up from the roof. This area cannot be utilized during heavy rains due to the potential of flooding in the area. Licensing will work with the Operator to come up with a plan so that the children can use this play area year-round that is attached to this license. If changes, expansion or moving of play area is to occur, an Application for Change is required, and Operator can reach out to Licensing for the necessary paperwork.</p>
