General Comments

A renewal inspection occurred today.

During the inspection the Inspector observed the children during both outside and inside play. During outside play the children were observed playing hide-and-seek, drawing with chalk on the pathway, drawing with crayons and blank paper, collecting leaves and materials for a fairy house they are creating in their inside learning environment.

During inside play, the children were observed making puzzles with letters and Paw Patrol. The children were also observed exploring rocks and crystals, building with blocks and magnets, exploring a raised garden that they will be planting items in soon.

All staff files were reviewed by the Inspector and verified complete and accurate. A review of all children's files occurred and were verified complete and accurate. All items required for license renewal were verified complete at time of the inspection.

Facility is recommended for license renewal.
