<p>General Comments</p> <p>Monitoring visit performed today to introduce my self. Operator has a lovely set up in her home and has designated an area to operate her centre which is child focussed and inviting. Wonderful activity for learning the principle of in and out. Children loved the activities.</p> <p>As per discussed, the Operator will dev elop a daily incident reporting log book and track children's incidents. Be sure to put the most recent incident at the beginning. This is a suggestion but some operators like to use a binder for tracking. Operator will also add to her cleaning schedule and outdoor morning component. Please let me know when you have addressed the above compliances. Thank you!</p> <p>Operator is on the wait list to enrol in 90 hour Intro to Early Childhood. Please send your confirmation to me in an email. Thank you!</p>
