<p>General Comments</p> <p>Children engaged in outdoor play this afternoon. Children have been spending extra time outside after school.</p> <p>Invitations are set up for the children in each interest centre when they arrive from school. The children's unfinished art projects from the day before were set up and ready for them to continue working on them today. This is nice to see!</p> <p>Recommend adding a place to display children's open ended art projects, photos and words. (examples: Bulletin board, line with clothes pins, frames around the room, etc.)</p>

How could you make the area with the rocking chairs more inviting for the children?
