General Comments
Monitoring Inspection: Educators had planned a rainy day, Halloween movie day for the children after school today. They served popcorn, chips and juice. Children were offered the choice of watching the movie or exploring the play area next door freely. The indoor play area is set-up with a variety of materials and invitations for the children explore. A discovery center is set-up with a variety of materials collected from nature, a microscope and other science materials. Children have collected materials from the outdoor play area and from their outdoor adventures with their families. 2025 Renewal Inspection report is to be posted on Parent Board. QA Monitor discussed which Inspection reports are to be posted on Parent Board (the most current Monitoring Inspection, Renewal Inspection, and Follow Up - if applicable). Monthly fire drills are documented. Ensure fire door at the bottom of the stairs remains closed. Daily attendance records are accurate and reflect all children present. Child-to-staff ratio was observed to be met during Monitoring Inspection.
