<p>General Comments</p> <p>Visit done at the center for a monitoring inspection. Ratio is respected The Quality Assurance monitor verified - indoor play area material and equipment -child record files and signed consent -incident records -washrooms</p> <p>A daily incident log is maintained, showing the child's name, date, parent's signature, time and record of events. All child record files audited during the visit are in order. The indoor play area is maintained clean and safe. The material and equipment are varied and in sufficient quantity for all children present and are easily accessible. There are sufficient and safe washroom facilities to meet the needs of the number and ages of children enrolled in the facility.</p> <p>During the monitoring inspection, children were observed playing indoor. Children were participating in a couple of Christmas crafts , while others were playing with a hot chocolate sensory bin.</p>
