**General Comments**

Quality Assurance Monitor conducted a monitoring inspection to verify ratios, child guidance and administrative records; as well to drop off a copy of the NB Curriculum Framework documents. Observed the sod being installed in smaller outdoor play area during the inspection.

Observed positive interactions between staff and children. All staff were observed sitting at the children's level,

General Comments

when infant's reached up for the educator, she responded by holding and comforting them. Preschool educator was observed engaging with the children as they played and being their conversational partners.

Operator has reached out to the parent for the missing immunization record. Operator will send an email to the Quality Assurance Monitor to verify once the record has been provided and placed in the child's file.
