General Comments
<p>Visit at the facility for a monitoring inspection. During the visit, the children were gone at the park for outdoor play. Since children were not present at the facility, ratio was not verified.</p> <p>Quality Assurance Monitor was on site to verify staff files, storage space and personal belongings. No non-compliances during the visit.</p> <p>The facility has a separate locked storage space that is inaccessible to the children for toxic products, chemical products, cleaning supplies and medications. The facility is also providing easily accessible storage space for the personal belongings of each child in attendance.</p> <p>QAM also verified staff files, and everything was in order.</p>
