25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (g) whether a child receiving services at the licensed facility has a life-threatening allergy and a description of that allergy.	25(g)	Oct 28, 2022	Oct 26, 2022
Comments: One child has a life-threatening allergy and it wasn't posted. Life threatening allergies needs to be posted in a visible and prominent place in the facility. The administrator on site was able to print and post it while QA monitor was still on site. Deficiency is now compliant			

General Comments
During the monitoring inspection, ratio was respected.
The QA monitor verified if all the documents needed were posted in a visible and prominent place in the facility. She also verified the indoor play area materials and equipment.
While the QA monitor was on site, she observed the kids play indoors and get ready to go play outside.
