General Comments
<p>Visit at the facility for a monitoring inspection. During the visit, the ratio was respected.</p> <p>Quality assurance monitor was on site to verify staff files, storage space and personal belongings. No non compliance during the visit.</p> <p>The facility has a separate locked storage space that is inaccessible to the children for toxic products, chemical products, cleaning supplies and medications. The facility is also providing easily accessible storage space for the personal belongings of each child in attendance.</p> <p>In the staff files, everything was in order. New staff members were added into the system.</p> <p>While QA monitor was on site, she was able to observe an educator read a story to the group and sing songs. Positive interactions between educators and children was observed.</p>
