General Comments

Monitoring inspection conducted.
Ratio was respected.
During the visit, the Quality Assurance Monitor verified:

- The outdoor play area
- The outdoor play area material and equipment
- Staff members files
- Child guidance

While QA monitor was on site, she was able to observe the children play outside and lunch time. Positive interactions between staff members and children were observed.

QA monitor had a discussion with the operator regarding outdoor renovations that they are planning on doing soon. QA monitor sent an application for change form and explained to the operator steps that must be taken for this change.
