General Comments
The daycare meets the requirements of the Early Childhood Services Act and New Brunswick regulation according to the ratio, the outdoor play area (materials and equipment), safety and storage space. Community park : The play structures (swing, slide, etc.) that don't have a sufficient protective surface (more than 15 cm) should not be used by children in the daycare. Some groups of children took a walk outside during my visit. Observation of the dinner for the youngest children.
