Order for Compliance	Regulation	Date to be corrected	Date corrected
31(6) The outdoor play area of a full-time or part-time early learning and childcare centre at which services are provided to infants or preschool children shall be enclosed with a fence at least 1.22 m in height with a gate that is secured at all times when the children are present.	31(6)	Feb 28, 2023	
Comments: Exemption will need to be done for the preschool age if they don't play in a securely gated area.			
33(3) An operator of a licensed facility shall complete a monthly review and maintenance plan on all stationary equipment that includes the following information: (a) the review and repair dates; (b) the action required and the action taken; and (c) the name of the staff member who conducted the review.	33(3)	Feb 17, 2023	
Comments: Last inspection was done in september. Must be done each month even in the winter time.			

<b>General Comments</b>  Visit to facility for annual inspection, ratio was respected during visit. School aged children were not present as they were in school. During my visit, it was cold (-23 Celsius), so the children stayed inside. I have observed the snack. It was homemade muffins and raisins. Talk with the director and assistant to ask for an exemption for the fence that will be install in spring 2023.
