General Comments
<p>Fire Extinguishers need to be serviced. The last inspection was October 2022. Email has been sent the to the Fire Marshall as last fire inspection was May 2022. Children were busy painting and decorating Christmas tree ornaments today. The older class also practiced their singing for the Christmas Concert later this month. Licensing staff recommends the educators go through toys, books and materials in their rooms and discard any broken or worn-out materials. The air vents are starting to accumulate dust and debris. Please have the vents cleaned. Reviewed staff files as new staff have been hired since the last visit. All file contained the proper documents. Positive child guidance was observed during the visit.</p>
