<p>General Comments</p> <p>During my visit I checked staff files of the new staff members and they were missing SD checks and criminal record/vulnerable sector checks. They must have these checks completed before they are permitted to work in the facility. Staff member sent home until checks come back.</p> <p>All necessary postings are up and fire drills are being done regularly. The children had a nap during my visit and their nap did not exceed two hours, which is in accordance with the regulations.</p>
