General Comments

Classrooms have been recently rearranged with defined activity areas and materials. The rooms are well organized, clean and safe. Each room had a variety of play based activities and offered open ended materials that were developmentally appropriate. Operator has recently been in contact with the curriculum team and has been implementing positive changes in the facility.

Operator was able to update parent board to include the name and contact of quality assurance monitor.

Positive behaviour guidance was observed at all times throughout the inspection.
