### General Comments

School age children were enjoying some quiet time after lunch upon arrival of licensing staff. All school age children were engaged with an activity. Indoor play space has been recently rearranged, allowing for more space for children to store their personal belongings and for snack and lunch time.

The operator discussed changing the entrance to the facility. licensing staff advised that a change in service application will be required for additional renovations to take place.

All preschool aged children were in the outdoor play space. Picnic tables that can also be used as sandboxes have been added to the play space. Ratio was maintained and proper supervision and child guidance was observed at all times.
