General Comments

Children were engaged in indoor play upon arrival of licensing staff. Infant was playing contently within their room and two-year-old children were finishing their bathroom routine and returned to their classroom. Appropriate supervision was maintained at all times during this transition. Older children were seated at the table and were designing their own hockey sticks. Hockey has been a theme at the facility this week as the Pond Hockey Championship opening ceremonies are this evening. Missing portion of application was retrieved on this date. Ratio was maintained at all times and positive behaviour guidance strategies were observed,
