Order for Compliance	Regulation	Date to be corrected	Date corrected
11 The qualifications and training requirements for administrators and educators are as follows: (b) educators must have successfully completed the Introduction to Early Childhood Education course or hold an Early Childhood Education Certificate.	11(b)	Dec 29, 2023	
Comments: Out of 11 educators, 8 have their ECE course, 2 have the 90h training and one has completed her 60h and is waiting for the dates to complete her 30h. Once the dates are received, proof must be sent to inspector.			
11.1(3) A staff member who works directly with infants or preschool children shall complete in each year 10 hours of training approved by the Minister related to the curriculum used at the designated facility.	11.1(3)	Jul 31, 2023	
Comments: All proof of continuous professional development must be present for all educators. Once they are all present, compliance will be verified for the total of hours completed for all educators.			
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Jul 31, 2023	
Comments: The bottom part of the fence is not attached anymore at some places and the sharp parts could be a hazard. Contacts have already been made to get the fence fixed. Proof of compliance can be sent to inspector once fixed.			
46(1) An operator of a licensed facility shall only administer medication to a child receiving services at the licensed facility in the following cases: (c) if the medication is not prescribed, the medication is (i) in the original container with the original label, (ii) in a container with child protective caps (iii) labelled with the child's name and the dosage.	46(1)(c)	May 30, 2023	May 30, 2023
Comments: One cough medication was not identified with the name of a child. It was removed from the daycare. Deficiency is now compliant			

<p>General Comments</p> <ul style="list-style-type: none"> - Ratio is respected during renewal inspection. - Discussion with educator concerning medications used for anaphylactic shock being stored safely but easily accessible. <p>Observations: Children went to the community park, they ate their lunch, had their nap and got ready to go outside again.</p>
