General Comments Child to staff ratio is respected during the renewal inspection. Discussion with staff and administrator concerning the outdoor play area, staff ensured there was a plan in place to enhance the 2-year-olds play area by adding material and zones. The administrator also mentioned that a plan is in place for the bottom of the fence to ensure the safety of the children in the other outdoor play area. Observations: - The 2–3-year-olds were finishing a Father's Day gift. - The 4–5-year-olds were practicing for their graduation, did exercises and then went to play outside in the rain. - All the groups ate their lunch and had a rest period. The children that did not sleep went outside to play.
