Order for Compliance	Regulation	Date to be corrected	Date corrected
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (a) varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	32(1)(a)	Mar 24, 2023	
Comments: Room 3- Paper needed in creative art area. A variety of textures, colours and sizes of paper are recommended for children to choose how they want to express themselves.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (b) arranged on low, open shelves and accessible to the children receiving services at the licensed facility,	32(1)(b)	Mar 23, 2023	
Comments: Room 4- Creative art area. Mark making tools were not accessible to the children at the time of inspection, they were placed on top of the easel out of reach. Children should have access to these materials throughout the day to support their creativity and learning.			

<p>General Comments</p> <p>Monitoring inspection completed today.</p> <p>Children and educators were observed during indoor play, transitions, and outdoor play. The indoor environments are inviting and through documentation and materials, reflect the children who spend time playing and learning there. The rooms are set up with interest areas, and invitations that spark children's curiosity and inspire exploration and engagement.</p> <p>During preparation for outdoor play educators were observed to encourage and support children to dress on their own and helping them when asked.</p> <p>In the outdoor environments, educators were observed engaged in play with children. Asking, questions, responding to children's inquiries, encouraging their imaginative play and using positive child guidance techniques when needed.</p> <p>Administrative records were reviewed. Attendance forms were completed for children on arrival and departure, and each group took their attendance when they went for outdoor play. New staff files were reviewed.</p>
