General Comments
<p>Monitoring inspection completed today.</p> <p>Children were enjoying outdoor play in nature at the time of inspection.</p> <p>The indoor environment is set up with an abundance of materials and is inviting and welcoming. Inspired by a child's knowledge of the word nocturnal, the educator had documented what the children knew about the word. Documenting in this way, demonstrated that the children's ideas, work, and experiences are valued and worthy of being documented and shared.</p> <p>School age care was not observed today.</p>
