General Comments
<p>Children were finishing up snack and getting ready to go outside when I arrived today. Observed the educators showing the children a new little trick they called "1, 2 , flip-a-roo" to help them learn how to put their jackets on themselves.</p> <p>Children were engaged in several different activities while playing outside, some activities observed were playing on plasma cards, hoola hoops, playing with balls, mud kitchen, skipping ropes and buckets. Educators were observed actively supervising and playing with the children the entire time they were outside.</p> <p>Observed the educators doing a toy safety check while everyone was outside and immediately disposed of anything that was broken/could not be repaired.</p> <p>When children came inside, they removed their outside clothes, and washed their hands for lunch!</p>
