Comments: The daily routine has been changed to English. Interactions with the children will be observed during another visit. Several documents for children need to be translated into English.			

General Comments
Joint visit with the inspector in the afternoon. I observed compliance with the required ratios for all age groups present. In addition, young children are not mixed with other age groups. Some of the documentation on the bulletin board at the entrance must be in English. Observation of nap time for all age groups and children washing their hands.
