General Comments
<p>Facility offers a bright and welcoming atmosphere. There is lots of material for the children to play with. Everything is at the children's level making it easily accessible to them and promotes independent choice making.</p> <p>Children were gone on a field trip to Wilmot Park when I arrived, I returned shortly after they did (not long before lunch) to perform a monitoring inspection. Luckily the weather cooperated with them as it did not start raining until after they returned.</p> <p>Educators were observed actively supervising and interacting with the children at time of visit.</p> <p>Children who regularly nap are provided with cots at nap time. The few children who do not nap are offered quiet toys to play with and are not required to lay on a cot.</p>
