General Comments

Preschool program is currently not running at this time. Space is presently being used as an alternate location for Go-Go Park Street school children during March Break, PD Days, storm days, etc.

Educators were observed interacting with children at time of visit, by playing board games with them and taking part in their crafts.

Observed several child files containing Medicare Numbers that will expire in the very near future. Please be sure to have them updated.

Please be sure to have your parent information board updated to show your current Inspector's name and contact information.
