<p>General Comments</p> <p>When I arrived, the children were in circle time. They talk about emotions, numbers and did a pretend activity where they were opening holiday presents. Following this, the children engaged in a rotation of different activities set up by the Educators such as sensory activity, activity on emotions, letters, and colors. Following this, the children cleaned up and went outside. When the children came back inside, they had lunch, followed by quiet time. Some children napped and others did quiet games at the table.</p> <p>The Centre is clean, well-organized, and divided in different stations. The children have lots of toys and materials to meet their interests and educational needs.</p> <p>The outside space is also clean, well maintained and the children also have sufficient materials outside.</p> <p>The routine is well established, and the children transition well from one activity to another.</p> <p>I observed the Educators use positive child guidance such as gentle reminders, encouragements and were also observed speaking to the children at their level.</p> <p>Everything is in compliance, I recommend for renewal.</p>
