General Comments
<p>A renewal inspection was conducted on May 26, 2022.</p> <p>The inside learning environment is set up a variety of age-appropriate materials for the children to interact and engage with.</p> <p>The educators were observed having respectful and responsive conversations with the children in their care. The children appeared happy and content in their learning environment and with their educators.</p> <p>The educators had the room set up with invitations for learning prior to the arrival of the children.</p> <p>Discussed with educators and Childcare Manager the importance of ensuring that the mulch that is accumulating under the platforms on the outside stationary equipment be raked daily to ensure that there is sufficient mulch under the falls zones to protect the children.</p> <p>Discussed the mulch and cribbage work requiring repair and this will be followed up by the licensing team with the district office team.</p>
