<p>General Comments</p> <p>A Monitoring Inspection was completed today.</p> <p>The indoor play area was set up with a variety of materials for the children. Children were observed to move freely throughout the play environment during free play.</p> <p>The older children have started a project where they have jobs to do in the classroom. This project provides opportunities for the children to take responsibility for the care and maintenance of the space throughout routines.</p> <p>Children were also observed in the outdoor play area. Children engaged in cooperative play with their peers throughout the outdoor play environment.</p> <p>The smaller play structure is still not used by the program. A new playground is currently in process.</p> <p>Transition from school to the afterschool program and from indoor to outdoor play were observed to run smoothly.</p>
