<p>General Comments</p> <p>The QAM monitored the program while children were on school break, with the Go-Go Island View and Saint Rose groups combined at the Church of the Good Shepherd. A smaller group of children was dressed and lined up to go outdoors to play mini sticks. The indoor group was engaged in card games and craft activities.</p> <p>The space functions as a set-up and tear-down environment. It was observed to be clean, organized, and equipped with a variety of supplies to support programming. The parent board was accurate and up to date.</p>
