<p>General Comments</p> <p>When I arrived, the children were playing outside. They came inside, had snack, played in different stations and then went back outside for the rest of the morning until lunch. After lunch the kids played inside with different stations such as legos, magnetic blocks and some were playing with the kitchens and pretend food.</p> <p>The Centre is clean and well organized. The children have lots of toys and learning materials at their disposal.</p> <p>The staff is engaged and attentive towards the children and are often seen playing with them. Lots of smiles and laughter heard around the Centre, the children seem happy and well established in their routine.</p> <p>One staff file was missing, however, was retrieved in the staff binder downstairs in the other licence. Please ensure that staff files are always on site.</p> <p>Everything is in compliance today, I recommend for renewal.</p>
