Order for Compliance	Regulation	Date to be corrected	Date corrected
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (e) the name and telephone number of the inspector.	25(e)	Nov 30, 2022	Nov 30, 2022
Comments: The name and telephone number of the inspector was not posted. That information needs to be posted in a visible and prominent place in the facility. The quality assurance monitor's information was not updated. The QA monitor left her business card to the administrator on site. The administrator on site posted that information immediately. Deficiency is now compliant			

<b>General Comments</b>
During the monitoring inspection, the ratio was respected. The quality assurance monitor was able to observe the kids play indoor and work on a Christmas sweater collage craft.
During the visit, the QA monitor verified if all documents needed were posted in a prominent and visible place in the facility. She also verified the educators programming book and could see planned and documented activities.
