General Comments
<p>On the day of my visit the program was functioning very well. The babies were having a snack of cheese strips, apple pieces and fish crackers and they were exploring their fine motor skills picking up their snack with their fingers. They also did some drawing and playing with paper in their high chairs which they really enjoyed. Sarah has set up her back deck for outdoor play and the fence keeps it safe and contained.</p> <p>Sarah screened me using the protocols for Orange when I arrived and all her administrative work is up to date and done properly. She has her BEd and is signed up for the 30 hr Curriculumtraining and will begin in March.</p>
